

Sunday Coaches & Team Managers Loyalty Reward Program.

An Incentive to promote and retain quality Coaches & Team Managers:

Any Coach that has trained our Sunday players will be rewarded in their second season of coaching, provided they meet the following conditions:

1. The Coach must have trained a Sunday team continuously for a first full season and be recognised as a benefit to the team and the club.
2. To be eligible for the GCFC Sunday Coaches Loyalty Reward Program, a Coach must coach a Sunday team for a second consecutive season.
3. Should a Coach leave the club and then return to Gosnells City FC to coach a Sunday team, but not in a consecutive season, then they will be deemed ineligible for this Program until they have coached for another initial season.
4. The coach must agree to abide by the training curriculum recommended by Football West and make every effort to attend the necessary courses to develop their own skills for the benefit of our players.
5. The coach must register with Football West through www.playfootball.com.au using the coach registration package.
6. The minimum age for a coach is 18 years.
7. In circumstances where there is more than one coach per team, then this loyalty reward is to be shared between the respective coaches.

Team Managers will be required to pay the full regulation (Football West) fees at the time of registering their child to play. After completing two consecutive years they will receive a reimbursement equal to 50% of the remaining fees, providing they have met the above conditions.

Registration Fees Reward

1. Any Sunday Coach who is a Parent/Guardian or direct relative of a junior player registered with the club, will be rewarded with that child's full registration fee being paid for, or refunded by the club. If the Coach has more than one child registered, it will be the child's fee that they are coaching, or the lowest registration fee that will be paid or refunded.
2. Any Sunday Coach who does not have a child registered with the club but is registered as a player for a Gosnells team, will pay the appropriate Football West registration fee and will then have the balance of their registration fee paid for or refunded by the club.

Once a Coach or Team Manager has qualified for the Loyalty Reward Program, they will continue to receive entitlement to the program in the following seasons, providing they continue to coach/manage for a Sunday team for successive seasons.
