

Sarah Gill Memorial Board

Criteria for Acceptance

This reward is an incentive process to **promote and retain players** from junior football to senior levels at Gosnells City FC.

Any junior player that has played at Gosnells City FC for consecutive seasons, and then moved on to a GCFC Senior team, will be rewarded by having their name added to the Sarah Gill Memorial Board, provided that they meet the following criteria:

1. To meet the criteria, a player must have registered with and played for Gosnells City FC at junior level for a minimum of ten consecutive seasons, then registered and playing for a senior team at the age of 18 years or the eleventh season.
2. Should a player register and play for another club within the ten-year period, then transfer back to Gosnells City FC during that same season, then they will be deemed eligible if:
 - a. The player has only left Gosnells City FC once within the ten-year period and
 - b. The player has played more than half of that season with Gosnells City FC.
3. Any player who has registered for Gosnells City FC and is injured in any season and is unable to play for that season, will have that season automatically included in the ten-year period. Proof of the injury causing the absence must be presented to the club and accepted by the club as a suitable reason.
4. Any player who has registered for Gosnells City FC and is unable to play for that season due to circumstances created by Gosnells City FC or the Football Association, will have that season automatically included in the ten-year period. Possible reasons could be, cancellation of an available place in a team, team being removed from a division, circumstances similar to COVID-19 restrictions, etc.

Once a player has registered for a senior team following a minimum of ten consecutive seasons, they therefore qualify for the reward and the players name will be added to the Sarah Gill Memorial Board in that following season.
